

BOARD OF CERTIFICATION
FOR THE ATHLETIC TRAINER

2018 Annual Report

*BOC, the recognized leader in credentialing,
and the only Athletic Trainer certifying body.*

Letter from the BOC Board of Directors President and BOC Chief Executive Officer

We are very grateful for the service of our many volunteers. Without the expertise and assistance of these individuals, we would not be able to do the important work of the BOC. We are also grateful for the dedicated staff we have in Omaha who, every day, passionately work on behalf of Athletic Trainers (ATs) and the patients they serve.

2018 was another memorable year for ATs and the athletic training profession. During the past year, the BOC was very active on the national scene; protecting your certification and advocating for ATs with state and national regulators. As a board and staff, we remain dedicated to further increasing communication and services to ATs, candidates, regulators, educators and BOC Approved Providers. BOC Community Involvement

The BOC supported the Salvation Army and Open Door Mission this past year.

Throughout the summer months, staff members volunteered for the “Kids Cruisin’ Kitchen,” a collaborative effort between the Salvation Army, Foodbank for the Heartland and Hunger Free Heartland, that provides free hot lunches for children in the Omaha metro area.

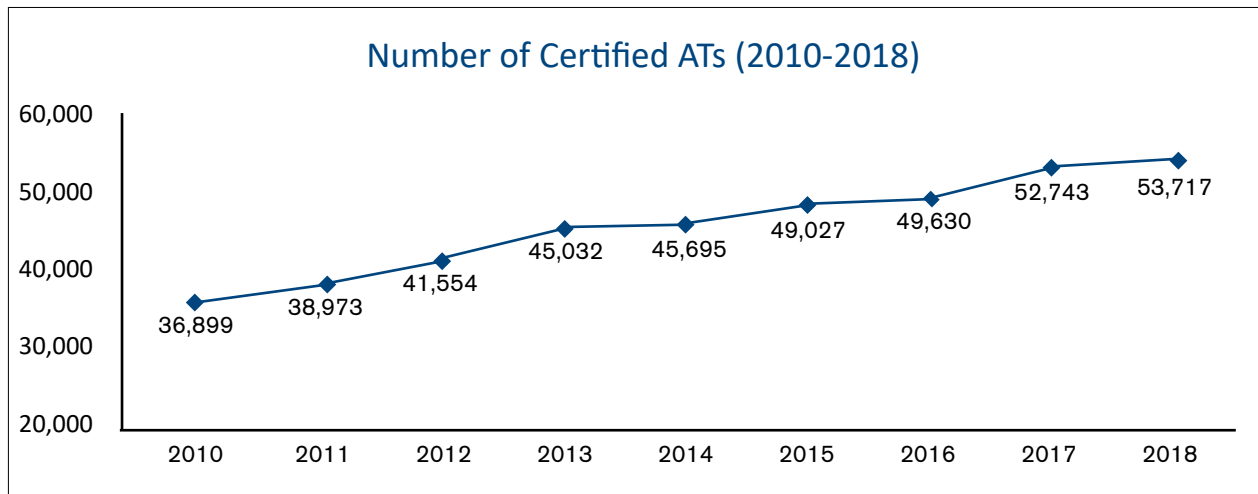

Staff members traveled with a food truck to various, predetermined locations in the community and served lunch to kids of all ages who gathered there each day. BOC staff enjoyed serving the kids their lunches, which were provided regardless of income. It was such a success that the BOC will support the program again next summer.

The BOC supported the Open Door Mission in December. The BOC staff spent an afternoon donating their time to the Open Door Mission as “Toy & Joy Personal Shoppers” by assisting parents in need choose free presents for their children from donated toys available in the Open Door Mission Holiday Store.
