

The Approved Provider

Summer 2010

2010 Renewals

Thank you for your continued support of the athletic training industry. Please take a few moments to complete the [online satisfaction survey](#) and let us know how we are doing and what we can do to better the BOC Approved Provider Program.

New Role Delineation Study Coming Soon

Currently, BOC Approved Provider courses must fall within the domains of athletic training found in the *BOC Role Delineation Study, Fifth Edition* in order for CEUs to be awarded to Athletic Trainers. On January 1, 2012, the domains will change with the introduction of the newest Role Delineation Study/Practice Analysis. [Click here](#) for a synopsis of the new domain descriptions and task statements, which should be used when planning courses that will be offered after January 1, 2012.

If you have BOC approved home study courses, *Be Certain*.™ these courses align with the new domains. Later this year, the BOC will send a home study renewal packet that all home study providers will be required to complete and return to the BOC. Each home study provider will need to indicate which option below applies to each approved home study.

- Course meets the new domain descriptions and no course changes are necessary
- Course has been or will be modified to meet the new domain descriptions
- Course will expire December 31, 2011 and will not be renewed

BOC Launching New Website

The BOC is re-designing the website for easier readability and better navigation. We identified areas of the website used frequently and are creating a more user-friendly home page. The BOC website will be an informational tool with specific sections and links of interest for ATs, candidates, BOC Approved Providers, Program Directors, BOC board and committees as well as the public. Check out the BOC's new website design at the same web address www.bocatc.org later this month.

Frequently Asked Question

Marketing Statements

I recently received a question asking "Which BOC approval statement do I use where?"

Brochure or Marketing Material

"Company Name is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers."

Certificate of Attendance

Company Name is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved for a maximum of (#) hours of Category A continuing education. Certified Athletic Trainers are responsible for claiming only those hours actually spent participating in the CE activity.

BOC Approved Provider number: PXXXXX Number of hours actually participated:_____

BOC's Annual Home Study Giveaway

To meet the needs of this ever changing economic downturn, the BOC will once again give away generously donated home study courses at the 2010 NATA National Symposium. These BOC approved home study courses will be part of a giveaway drawing at the BOC booth in June. The BOC will also be handing out discount sheets that list continuing education discounts or special promotions being offered by BOC Approved Providers the remainder of the year.

Your feedback on *The Approved Provider* would be most appreciated. Thank you!

Mindy Lindquist, Provider Relations Coordinator
MindyL@bocatc.org

Mailing and Email List Discount

The BOC recently announced that email addresses are now available for lease along with a new email service. One of the many benefits of being a BOC Approved Provider is the discount you receive on leasing BOC lists, which are now further discounted – as low as \$0.09 per name.

With the email service, you pick the ATs and send us your email content. Then the BOC will send the email on your behalf. Not only are the discounted fees for this service competitive, but it saves time as well. Here is what Jen at Z-Health says, “We like using the BOC email service because it provides us direct access to our exact target market – in a very cost-effective manner. And, it works! Plus, BOC staff are great to work with and have always been able to accommodate our needs.”

Now is the perfect time to market your high-quality programs to those ATs who need to complete their CE requirements by the end of the year. In addition, lists can now be broken down by professional work setting in addition to city, state, ZIP code and/or NATA districts. Visit the [BOC website](#) today for an order form and don't forget to include a copy of your promotional material.

Promotional Material

Promotional materials must clearly indicate educational objectives, the target audience, the schedule and format, the fee and refund/cancellation policy, the credentials of the instructor(s) and the number of contact hours or CEUs that will be offered. The following guidelines also apply:

- The following is the only statement that may be used to identify a BOC Approved Provider:
“Company Name is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers.”
- The BOC Approved Provider logo, which can be downloaded from the [BOC website](#), is formatted as a perfect square (image height is equal to image width). The image should not be altered to be any other shape. Size adjustments can be made; however, the logo must remain proportionate. Please *Be Certain*.™ the logo is always in proportion to the original dimensions.

Featured BOC Approved Provider

It is very important that ATs are able to recognize BOC Approved Providers when looking at advertisements or attendance certificates. Therefore, the BOC recognizes BOC Approved Providers who follow the guidelines to help identify the BOC in these materials. A BOC Approved Provider is featured in each issue of *The Approved Provider*. The latest featured BOC Approved Provider is Z-Health located in Tempe, AZ.

Z-Health has been a BOC Approved Provider since October 2009. As you can see in the advertisement below, Z-Health adheres to the policies found under “Business Practices” of the *BOC Approved Provider Guidebook*. Recently, the BOC asked Z-Health’s Jen Waak to comment on the benefits of being a BOC Approved Provider.

“We chose to become a BOC Approved Provider because BOC’s well-educated, highly-qualified audience matches well with the courses Z-Health offers. This gives us exceptional reach to our target market – and BOC makes it easy for us to reach them through the continuing education calendar and mailing capabilities.”

The advertisement is a green rectangular banner with white text and logos. On the left, the Z-Health logo features the word 'ZHEALTH' in a bold, sans-serif font, with 'Performance' underneath it, and a stylized lightning bolt icon to the right. To the right of the logo, the text reads 'Essentials of Elite Performance' in a large, white, serif font, with 'BOSTON, MASSACHUSETTS | MARCH 5-7, 2010' in a smaller, white, sans-serif font below it. In the center, there is a circular logo with 'BOC' in the middle, surrounded by 'APPROVED CE' at the top and 'PROVIDER' at the bottom. To the right of this logo, the text states: 'Z-Health Performance Solutions is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. Contact hours: 21'. At the bottom of the banner, there are two columns of text: 'Z-Health® Performance Solutions LLC' and '3380 S. Kyrene Road, Suite 101, Tempe, AZ 85284' on the left, and 'Toll-Free: 888-394-4198' and 'www.zhealth.net' on the right.

If you would like to be considered for recognition as a Featured BOC Approved Provider, please submit your advertisements and certificates of completion for review. You can email your electronic promotional materials to MindyL@bocac.org or mail your printed promotional materials to:

Board of Certification • Attn: Provider Relations Coordinator • 1415 Harney St • Ste 200 • Omaha NE • 68102-2205
