Introduction

The Board of Certification, Inc. (BOC) has been responsible for certification of Athletic Trainers since 1969. Upon inception, the BOC was an entity of the professional membership organization the National Athletic Trainers' Association (NATA). However, in 1989, the BOC became an independent non-profit corporation. The mission of the BOC is "to provide exceptional credentialing programs for healthcare professionals to assure protection of the public." Accordingly, the BOC provides a certification program for the entry-level Athletic Trainer and establishes requirements for maintaining status as a Certified Athletic Trainer. Currently, more than 39,000 individuals hold the ATC® credential.

In order to attain certification, an individual must graduate from an athletic training education program accredited by the Commission on Accreditation of Athletic Training Education (CAATE) with a Bachelor's or Master's degree and pass the BOC certification exam. If the program is in the accreditation process, candidates must be enrolled in the program during the semester of the site visit. A current list of CAATE Accredited Programs is available on the CAATE website at www.caate.net. Application and completion of the BOC certification program is voluntary.

This handbook has been developed for individuals who are candidates for certification or reinstatement as Athletic Trainers. As such, it contains information on eligibility requirements, the application process, BOC certification, ongoing responsibilities to maintain certification and a variety of other important topics. Candidates are responsible for becoming familiar with its contents and using it in completing the certification process.

Certification Exam Eligibility

I. Students/Graduates of a CAATE Accredited Program

Candidates who are enrolled and/or registered in their final semester/quarter prior to graduation are eligible to sit for the BOC exam. Qualified candidates for the BOC certification exam must have received confirmation on their exam application by the recognized Program Director of the CAATE accredited program that they have earned or will earn their Bachelor's or Master's degree. Candidates who graduated with a Bachelor's or Master's degree from a CAATE (previously JRC-AT) accredited program in 2003 or later meet the education requirements for the BOC exam.

II. CATA Certified Athletic Therapists

In July 2005, the BOC and the Canadian Athletic Therapists Association (CATA) signed a Mutual Recognition Arrangement. The agreement allows BOC Certified Athletic Trainers and CATA Certified Athletic Therapists to write/take each other's certification

exams. This allows certified individuals' access to professional requirements for employment in both countries.

In order to qualify as a candidate for the BOC certification exam, a CATA Certified Athletic Therapist's certification must be confirmed on the BOC exam application by an official from the CATA. The CATA Certified Athletic Therapist must also hold a minimum of a Bachelor's degree.

For instructions on how to complete the BOC exam application as a CATA Certified Athletic Therapist, see [Easy Steps for Online Exam Application Approval](#) on the BOC's website.

Application Process

I. Discrimination Statement

The BOC does not discriminate against any individual on the basis of religion, gender, ethnic background or physical disability.

II. Format

Candidates apply for the certification exam by using [BOC Central™](#), an online system available through the BOC website.

III. Exam Eligibility

A. Determining Eligibility

Applications are reviewed by BOC staff to determine candidate eligibility. Candidates must use their legal name* when completing the application. All candidates are required to have an email address. Candidates have 1 year to complete the application process once started. Failure to successfully complete the application process within this time frame will require submission of a new application meeting all current fee and eligibility requirements.

*Candidates with more than one last name listed on their government issued photo ID must have the same last names reflected on the exam admission ticket. This includes any suffix such as Jr, Sr, I, II, III, etc.

B. Approved Application

Once a candidate's eligibility is approved, he/she will be notified via email and will be able to register for the exam when the exam registration window opens. Candidates have 1 year from their application approval date to register and pay for the BOC exam. If a candidate has registered for the final exam window prior to his/her expiration date, the candidate must sit during that exam window;

rescheduling is not an option. Failure to register, pay and sit for the exam within this time frame will require submission of a new application and retaking the exam. When submitting a new application, candidates must satisfy the current eligibility and fee requirements.

C. Incomplete or Denied Application

If an application does not meet eligibility requirements, the applicant will be notified via email. The notification will provide specific information regarding deficiencies with the application. Candidates who have a completed application to the BOC by 5:00pm CT on the application deadline will be given the opportunity to resolve their deficiencies prior to the \$375 exam registration deadline date.

D. Appeal of a Denied Application

- 1) If the BOC does not approve an application, the applicant can initiate an appeal. Appeals must be made in writing to the Credentialing Services Department. The applicant is responsible for demonstrating that the appeal should be granted.
- 2) Appeals must be received at least 30 days before the exam registration deadline date for the exam window the candidate is requesting. The Credentialing Services Department will review the appeal. The applicant will be notified in writing of the subsequent decision.

E. Applicants with a Felony or Misdemeanor

The affidavit portion of the exam application requires candidates to report any felony or misdemeanor conviction. During the application process, candidates must submit an explanation of the events that led to the conviction(s), copy of court documents(s), including, but not limited to, an arrest report, sentence recommendation, compliance of all court requirements and proof of payment of all related fines. Please allow at least 5-7 business days for documentation to be reviewed.

Candidates may request a predetermination of eligibility at any time by submitting their documentation prior to their application. The Professional Practice and Discipline Committee reviews all convictions. Candidates are notified in writing of the committee's decision. Please review the [Professional Practice and Disciplinary Guidelines and Procedures](#) for details.

IV. Exam Process

- A. **Step 1 – Register:** Candidate logs in to BOC Central™ to register for the exam
- B. **Step 2 – Pay:** Candidate pays for exam and receives an email from the BOC stating registration and payment were received
- C. **Step 3 – Schedule:** Candidate logs in to Castle website and selects exam site/date/time
- D. Eligible candidates are permitted to register for the exam.
- E. Eligible candidates are allowed to register for the next available exam window only.
- F. Candidates who are enrolled in their final semester/quarter prior to graduation are eligible to sit for the BOC exam.

V. Accommodation Requests

In adherence with the Americans with Disabilities Act (ADA, 1990, updated 2010), reasonable and appropriate accommodations are provided for qualified individuals with a disability who supply appropriate documentation. The BOC follows the guidelines set forth in the Council on Licensure, Enforcement and Regulation (CLEAR) and Institute for Credentialing Excellence (ICE) *Principles of Fairness*.

A. Reasonable Accommodations

Reasonable accommodations provide disabled candidates with a fair and equal opportunity to demonstrate their knowledge and skill in the essential functions being measured by the exam. Reasonable accommodations are decided on the basis of the individual's specific request, disability, documentation submitted and the appropriateness of the request. Reasonable accommodations do not include steps that fundamentally alter the purpose or nature of the exam. The most frequent requests involve providing the candidate with extended time, a reader, a writer and/or a separate room.

B. Qualified Individual with a Disability

A "qualified individual with a disability" is one who has a disability and satisfies the requisite skill, experience, education and other requirements of the service, program or activity of which he or she is being measured and, with or without accommodations, can perform the essential functions of the service, program or activity. An essential function is one that individuals are required to perform, and removing that function would fundamentally change the service, program or activity. A person must be a "qualified individual with a disability" to be protected under the ADA.

C. Proper Documentation

Candidates requesting a change in exam procedures or processes due to disability, handicap or other reason must complete the [Request for Special Exam Accommodations Form](#). The candidate is responsible for demonstrating that the request should be granted. Medical documentation of specific needs must accompany the request. Specifically, the candidate must submit documentation from an appropriate licensed professional or certified specialist who diagnosed their disability and is recommending reasonable accommodations. These recommendations should be based on testing that is not older than four years prior to the application. The documentation must be on the professional's letterhead. It must provide a diagnosis of the disability and the test used to determine the disability. The candidate may also provide evidence of receiving reasonable accommodations during school. Such documentation must be on the school's letterhead and may include an individualized education plan (IEP). The confidentiality of all documentation submitted by the candidate is protected. The BOC will review the request and notify the candidate in writing of its determination within 2-3 business days of receipt.

D. Requests for Reasonable Accommodations

- 1) In order to be given consideration, appropriate documentation (including the [Request for Special Exam Accommodations Form](#)) must be received by the BOC no later than 5:00pm CT on the application deadline date of the requested exam.
- 2) Candidates approved for reasonable accommodations are notified via email of the accommodation(s) granted to them. Candidates not approved for reasonable accommodations are notified via email of the denial of their request.
- 3) If a candidate's request for accommodations is not approved, the applicant may initiate an appeal. Appeals must be made in writing to the Credentialing Services Department. The applicant is responsible for demonstrating that the appeal should be granted. Appeals must be received at least 30 days before the exam registration deadline date for the exam window the candidate is requesting. Failure to appeal within the allotted time will render the original decision final.
- 4) The BOC will not pay any costs that a candidate may incur in obtaining the required diagnosis and recommendation.

E. English as a Second Language (ESL)

- 1) The BOC exam is written in the English language. Although the application and exam guidelines are the same for all BOC candidates,

those candidates who demonstrate that their primary language is not English may be granted additional time.

- 2) The [Request for Special Exam Accommodations Form](#) is to be used in requesting additional time. As part of the form, the candidate must provide documentation from their college/university stating that he/she has been previously granted this accommodation.
- 3) Requests for additional time are handled on a case-by-case basis. Following a review of a request, the BOC will determine the length of time, if any, which will be allotted to complete the exam. The BOC will notify the candidate in writing of the decision regarding their request.

VI. Confirmation for Exam

- A. 3-7 business days after the exam registration deadline date, the candidate will receive an email notification from Castle. Candidates may need to add Exam@bocatc.org and ibt@castleworldwide.com to their list of approved senders so important messages do not get sent to their spam folder. The email will be sent to the email address on file in BOC Central™. The email will include a link and unique username and password. The candidate will utilize this information to log in to the Castle website to schedule their exam site, date and time. Candidates will schedule a 4-hour and 15-minute block for the exam.
- B. After scheduling the exam, the candidate will receive a confirmation email from Castle including the following information:
 - 1) Candidate name
 - 2) Exam name
 - 3) Required ID (valid, government issued photo ID, i.e., driver's license, passport, state issued ID)
 - 4) Exam date
 - 5) Reporting time
 - 6) Name of the Castle test site
 - 7) Address of the Castle test site (reporting location)
 - 8) Email link for a map to the Castle test site
 - 9) Candidate password
 - 10) General instructions
 - 11) Prohibited items
- C. Candidates must bring their confirmation email on exam day. Candidates will also be required to present their valid, government issued photo ID (i.e., driver's license, passport, state issued ID) on exam day. The first and last name* on the valid, government issued photo ID must appear EXACTLY the same as the name on the exam admission ticket. **School ID will not be accepted.** The name on the

admission ticket is the name provided by the candidate in the Personal Information section of the application.

*Candidates with more than one last name listed on their government issued photo ID must have the same last names reflected on the exam admission ticket. This includes any suffix such as Jr, Sr, I, II, III, etc.

Exam Day

I. Candidate Check-in for Exam

A. What to Bring to the Exam

Candidates must bring the following to the exam: a valid, government issued photo ID (i.e., driver's license, passport, state issued ID). The first and last name* on the valid, government issued photo ID must appear EXACTLY the same as the name on the exam admission ticket. **School ID will not be accepted.** Candidates must bring their confirmation email on exam day.

*Candidates with more than one last name listed on their government issued photo ID must have the same last names reflected on the exam admission ticket. This includes any suffix such as Jr, Sr, I, II, III, etc.

B. Admission

- 1) Only the individual named on the roster will be permitted to take the exam. No substitutions are allowed for registered candidates.
- 2) Candidates must present a valid, government issued photo ID (i.e., driver's license, passport, state issued ID) at check-in. **School ID will not be accepted.** The first and last name* on the photo ID must match exactly the first and last name on the roster. If the name on the photo ID does not match the name on the roster, the candidate will not be permitted to take the exam and will be considered a No Show. If there has been a name change (e.g., due to marriage), the candidate must submit a written notification and request for name change to the BOC.
 - a) A name change notification must include an original, legal document indicating change of the candidate's legal name or a notarized copy of the legal document. The original document must contain the official raised seal of the department issuing the document or a stamp that clearly is an original and not a photocopy, (i.e., Department of Vital Statistics). The signature and title of the department representative must be present. Name changes must be received by the BOC no later than the exam registration deadline date.

- b) The request MUST provide the following information:
 - i. Previous (maiden) name
 - ii. Social security number
 - iii. Current mailing address
 - iv. Work and home phone numbers
 - v. Email address

*Candidates with more than one last name listed on their government issued photo ID must have the same last names reflected on the exam admission ticket. This includes any suffix such as Jr, Sr, I, II, III, etc.

C. Examinee Attestation Statement

Upon logging in to the exam, candidates will be required to agree to an attestation statement.

D. Thirty Minute Guideline

Occasionally, candidates may experience a delay or technical issue with an internet-based exam. If the delay exceeds thirty minutes, the candidate may request to reschedule to another exam window if he/she is unable to wait any longer.

E. Late Arrival to the Exam

Candidates who arrive late to the exam may not be permitted to take the exam on that day if the center is no longer able to accommodate the full exam time.

II. Policies During Exam Administration

- A. No visitors are permitted in exam areas.
- B. Candidates may not bring coats, book bags, luggage or any personal items to their exam desks. Electronic devices are strictly prohibited.
- C. If a candidate has begun taking the exam and wishes to discontinue taking the exam, the candidate must inform a Castle testing center proctor they do not wish to continue taking the exam. The candidate may NOT take the exam at a later date during the same exam window.
- D. Disruptive behavior is cause for dismissal from the exam site. No refunds will be given to candidates expelled for disruptive behavior.
- E. Before, during and after the exam, candidates are expected to conduct themselves in an ethical manner and to avoid hampering the ability of fellow candidates to perform independently on the exam. Incidents of reported

cheating will be investigated by the BOC. If a candidate is found to have cheated, he/she will be barred from taking any BOC exam for a period of time. The BOC Professional Practice and Discipline Committee will determine the length of time. The BOC may also request restitution if exam items have been compromised.

III. Inclement Weather Policy for Exam

In the event of potentially inclement weather, the closing of a Castle testing center will be up to the discretion of the Castle testing center proctor in conjunction with radio reports and local media. If a Castle testing center is closed by a Castle testing center proctor, every attempt will be made to contact the candidate by phone to let them know the Castle testing center is closed. The candidate will be notified to contact Castle to reschedule their exam at no cost to the candidate. Cancellations are posted to the following website as soon as Castle is made aware of the closure:

https://www.castleworldwide.com/web/clients/testing-services/site_closures.aspx

IV. Appeal of Exam Administration

The appeal must be submitted in writing to the BOC and should specifically indicate the reason(s) for the appeal as well as why the appeal should be granted. The appeal should also include the date and location of the exam as well as the name(s) of proctor(s) or any other parties involved. Appeals must be submitted in writing via fax to (402) 561-0598 Attn: Credentialing Services Department or via email to Exam@bocatc.org no later than 24 hours after the exam was taken.

The BOC will investigate the administrative complaint or exam administration challenge and respond in writing to the candidate.

Exam Security and Confidentiality

I. Ethical Behavior

Soliciting questions from candidates who have previously taken the exam is unethical for several reasons:

- A. Candidates are expected to pass the exam based on their own merit without assistance. The members of the public who entrust the ATC® credential with their health and well-being expect that the credential holder is a trustworthy and competent individual.
- B. The purpose of the BOC exam is to protect the public by ensuring that candidates for certification have achieved entry-level competence. By asking previous exam takers to share questions, a candidate undermines the very purpose of the exam.

- C. By soliciting questions from previous exam candidates who have accepted the security agreements, an individual is encouraging candidates to commit illegal acts.

II. Security Violations

In some instances, fellow students may be a good resource for learning about questions on previous exams. This is not the case when preparing for the BOC exam. It is illegal and unethical to recall (memorize) and share questions that are on the BOC exam. During exam day registration, candidates are required to attest online to their intent to keep the contents of the exam confidential. As such, candidates may not solicit questions or discuss items that were on previous exams with other BOC candidates or individuals who hold the ATC® credential. Recalling questions from the exam and sharing them with anyone else violates the confidentiality agreement and Federal Copyright Laws. The BOC will prosecute violations of this agreement. Violation of the confidentiality agreement is also a violation of [BOC Standards of Professional Practice](#), which can result in suspension or revocation of certification from those who have earned it or suspension or denial of eligibility for future exams for candidates found to have violated their confidentiality agreement.

Scoring and Results

I. The Scoring Process

Exams are scored by Castle Worldwide Inc., a professional testing service that specializes in certification and licensure exams.

Each form of the exam includes unscored (experimental) items. Candidates are scored only on those items that have been validated and aligned to the exam specifications of the current [BOC Role Delineation Study/Practice Analysis](#). The exact point value for each question is determined as a function of the weight assigned to its content category as well as the number of questions in that content category. Scores will be reported on a scale from 200 to 800 with the passing point at 500.

II. Notification of Results

- A. Pass/Fail results are posted on the BOC website within 2-4 weeks from the last day of the exam window. Candidates are notified via email that Pass/Fail results have been posted. Candidates may log on to their BOC Central™ account to access their Pass/Fail results. Exam scores are not posted on BOC Central™.
- B. Score reports are mailed to candidates via USPS mail within 2-4 weeks from the last day of the exam window. The score report indicates the maximum possible

score for the exam, the minimum score needed to pass and the actual score obtained by the candidate.

III. Appeal of Exam Pass/Fail Results

- A. A candidate may appeal their exam Pass/Fail results. The appeal must be submitted in writing to the BOC and must specifically state the reason(s) for the appeal and why the appeal should be granted. Failing the exam alone is not sufficient grounds for an appeal.
- B. Appeal letters should be sent to the BOC by traceable mail with signature of receipt required to:

Board of Certification
Attn: Director of Credentialing Services
1415 Harney St Ste 200
Omaha NE 68102-2250
- C. The appeal letter must be received by the BOC within 14 days of receipt of the online Pass/Fail results. Correspondence received after this date will not be accepted.
- D. Within 30 days of receipt of the appeal letter, the BOC will provide a written response to the candidate regarding the outcome of the appeal.
- E. Complaints, challenges or appeals not submitted in accordance with these policies will not be acknowledged.

Rescheduling an Exam

I. Rescheduling Within the Same Exam Window

Candidates may reschedule within the same exam window up to 4 business days prior to their scheduled appointment for a \$40 fee. Holidays noted on the BOC Exam Calendar are not considered business days. In order to reschedule the exam, the candidate must go to the Castle website and enter the username and password used to schedule the initial appointment. Candidates will pay the \$40 fee with a credit card on the Castle website.

II. Rescheduling to a Different Exam Window PRIOR to Scheduling an Exam

Candidates who have not scheduled an exam appointment may reschedule to a different exam window for a \$50 rescheduling fee. In order to reschedule to a different exam window, candidates must contact the BOC office in writing via email, fax or mail. The BOC will cancel the current exam registration, and the candidate will re-register

himself/herself and pay the \$50 fee once the desired exam registration window opens. The candidate will receive an email from Castle (ibt@castleworldwide.com) within 3-7 business days after the registration window closes to schedule his/her exam site, date and time.

III. Rescheduling to a Different Exam Window AFTER Scheduling an Exam

Candidates who have a scheduled exam appointment may reschedule to a different exam window up to 4 business days prior to their scheduled appointment for a \$100 rescheduling fee. Holidays noted on the BOC Exam Calendar are not considered business days. In order to reschedule to a different exam window, candidates must contact the BOC office in writing via email, fax or mail. The BOC will cancel the current exam registration, and the candidate will re-register himself/herself and pay the \$100 fee once the desired exam registration window opens. The candidate will receive an email from Castle (ibt@castleworldwide.com) within 3-7 business days after the registration window closes to schedule their exam site, date and time.

IV. Failure to Schedule Exam

The BOC charges a \$50 rescheduling fee to candidates who have registered and paid for the exam but do not schedule their exam within the specified exam scheduling dates for the current exam window.

V. Submitting a Rescheduling Fee

Candidates will pay the \$50 or \$100 rescheduling fee online when they re-register for the desired exam window. The BOC accepts personal checks, money orders or credit cards (Visa, MasterCard or American Express).

Cancellation of an Application/Failure to Appear/Appeal of Exam Fee Forfeiture

I. Cancellation

If a candidate would like to cancel an exam, a **written** request must be submitted to the BOC. Please use the following contact information:

Board of Certification
Attn: Credentialing Services Department
1415 Harney St Ste 200
Omaha NE 68102-2250
Exam@bocatc.org
(402) 561-0598 fax

A. Exam Cancellation PRIOR to Scheduling an Exam Site/Date/Time

A 50% refund of the exam fee will be issued if the candidate has not yet scheduled an exam site, date and time. The cancellation request must be

RECEIVED in writing by the BOC via email, fax or mail prior to the expiration of the candidate's eligibility.

B. Exam Cancellation AFTER Scheduling an Exam Site/Date/Time

A 25% refund of the exam fee will be issued if the candidate has scheduled an exam site, date and time. The cancellation request must be RECEIVED in writing by the BOC via email, fax or mail no later than 4 business days prior to the candidate's scheduled exam appointment. The exam fee will not be refunded if the cancellation notice is received in writing AFTER 4 business days prior to the scheduled exam appointment. Holidays noted on the BOC Exam Calendar are not considered business days.

C. The candidate's application file will be maintained for a period of 1 year. If a candidate has not attempted the exam in that 1-year period, their application is voided and destroyed by a commercial document shredding company.

II. Failure to Appear (No Show)

A. If a candidate fails to appear for an exam, the following policies will be enacted:

- 1) The candidate's application file will be maintained for a period of 1 year. If a candidate has not attempted the exam in that 1-year period, their application is voided and destroyed by a commercial document shredding company.
- 2) A refund is not issued. If a candidate attempts the exam at a later date, the candidate will be required to repay the exam fee.
- 3) The BOC reserves the right to request additional evidence to support a candidate's reason for failure to appear.
- 4) Retake candidates have 1 year from the date their Pass/Fail results are posted on BOC Central™ to register and pay for the exam. If a candidate has registered for the final exam window prior to his/her expiration date, the candidate must sit during that exam window; rescheduling is not an option. Failure to register, pay and sit for the exam within this time frame will require submission of a new application and retaking the exam. When submitting a new application, candidates must satisfy the current eligibility and fee requirements.

III. Appeal of Exam Fee Forfeiture

A. An appeal of exam fee forfeiture will be considered in the case of emergencies and/or extenuating circumstances. The BOC may recognize the following as acceptable reasons for failing to appear without prior cancellation:

- 1) Serious illness – either you or an immediate family member
- 2) Death in the immediate family
- 3) Disabling accident

- 4) Court appearance
 - 5) Jury duty
 - 6) Unexpected military call-up
- B. An appeal must be made in writing to the BOC. The appeal must be supported by appropriate documentation and must be received by the BOC within 10 business days following the scheduled exam. The appeal will be reviewed on an individual basis. The BOC reserves the right to request additional evidence to support a candidate's reason for failure to appear. If a candidate would like to appeal his/her exam fee forfeiture, a written request must be submitted to the BOC. Please use the following contact information:
- Board of Certification
Attn: Credentialing Services Department
1415 Harney St Ste 200
Omaha NE 68102-2250
Exam@bocatc.org
(402) 561-0598 fax
- C. If the appeal is granted, the candidate's exam fee will be transferred to the next exam window.

Retaking the Exam

I. Process/Time Frame

- A. Retake candidates have 1 year from the date their Pass/Fail results are posted on BOC Central™ to register and pay for the exam. If a candidate has registered for the final exam window prior to his/her expiration date, the candidate must sit during that exam window; rescheduling is not an option. Failure to register, pay and sit for the exam within this time frame will require submission of a new application and retaking the exam. When submitting a new application, candidates must satisfy the current eligibility and fee requirements.
- B. Candidates who fail the exam and wish to retake the exam must register for a retake online via BOC Central™. Candidates must submit the appropriate fee.
- C. Retake candidates may register for the next available exam window only (i.e., if registration for a future exam window is not yet open, a candidate cannot register for that exam window until the designated date). Refer to the [BOC Exam Calendar](#) for details.

- D. The BOC recommends candidates who fail the exam review their scores with their Program Director to determine appropriate remedial studies and/or athletic training experiences.

Completing the File for Certification

I. Submission of Required Information

Candidates who have successfully challenged the certification exam have 1 year from the date their Pass/Fail results are posted on BOC Central™ to complete their file with required materials (e.g., official college transcript with degree and date of degree posted, front and back copy of a current, signed ECC card or candidate-signed certificate obtained upon successful completion of a course that meets ECC requirements). Candidates will be notified in their score letter of what is needed in order to complete their file for certification. Candidates who do not complete their application within this time frame will have their exam results voided and will be required to submit a new application and repeat the certification exam. It is the candidate's responsibility to submit the required application materials.

II. ATC® Credential

Certification is granted and a BOC certification number is awarded when a candidate's file is complete. The BOC will send an email to each new Athletic Trainer with his/her certification number and date, links to important information about his/her newly earned credential and a PDF file containing an electronic certificate and certification card. Specifically, the email will include links on how to:

- Request verification of certification for state regulation and/or employment
- Order a professional plaque or certificate to proudly display status as an AT
- Market the athletic training profession
- Maintain certification by completing recertification requirements

Use of the ATC® credential is strictly prohibited until a candidate's file is complete and the BOC has granted certification.

III. Records

The BOC maintains the records of candidates who successfully pass the exam and complete their application file. The BOC will not release information from any individual's file without written authorization.

Preparing for the Exam

I. Exam Format

The BOC certification exam consists of the following:

- Multiple-choice items
- Stand alone “alternative” items
 - Drag and drop, text based simulation, multi-select, hot spot, etc.
- Focused testlets
 - A 5-item focused testlet consists of a scenario followed by 5 key/critical questions related to that scenario
 - The questions can include any of the previously described item types

The exam contains a combination of 175 scored and unscored (experimental) questions, and candidates will not know which questions are experimental. Candidates have a total of 4 hours to complete the exam.

Candidates are presented with the multiple-choice, stand alone and focused testlet items in one part, and candidates have the ability to move forward or back throughout the entire exam.

II. Role Delineation Study/Practice Analysis

The [*Role Delineation Study/Practice Analysis, Sixth Edition*](#) (RD/PA6) defines the current entry-level knowledge, skills and abilities required for practice in the profession of athletic training. The RD/PA6 serves as the blueprint for determining the content of the exam. For specific information on the development of the exam and the exam scoring process, please refer to the BOC website for [Exam Development and Scoring](#) information.

Domains for Exam Questions	% of Questions on Exam
Injury/Illness Prevention and Wellness Protection	25%
Clinical Evaluation and Diagnosis	22%
Immediate and Emergency Care	19%
Treatment and Rehabilitation	22%
Organizational and Professional Health and Well-Being	12%

III. Study Aids

The BOC does not endorse or uphold any claims made by vendors of any study materials or workshops. The BOC does not guarantee enhanced performance on the BOC certification exam for those using any study materials.

The BOC does not guarantee enhanced performance on the BOC certification exam for those using the [BOC Self Assessment Exams](#). However, because BOC supervised content experts developed the questions to the same psychometric standard, it is most similar to the actual BOC exam.

IV. Miscellaneous Information

A. Candidate Records

1) Application Maintenance

If a candidate is active in the exam process, their application materials are maintained. Otherwise, applications are maintained for a period of 1 year. If a candidate has not attempted the exam in that 1-year period, their application is considered void and destroyed by a commercial document shredding company. Candidates who fail to meet the 1-year time frame will be required to submit a complete new set of application materials.

2) Exam Eligibility/Registration Verification Requests

Requests must be made in writing and sent to the BOC office. The processing fee is \$25.

BOC Certification and the ATC® Credential Ongoing Responsibilities

I. Certification Packets

Each new Athletic Trainer will receive an automated email with his/her certification number and date, links to important information about his/her newly earned credential and a PDF file containing an electronic certificate and certification card. Specifically, the email will include links on how to:

- Request verification of certification for state regulation and/or employment
- Order a professional plaque or certificate to proudly display status as an AT
- Market the athletic training profession
- Maintain certification by completing recertification requirements

II. State Regulation

Currently, 48 states have regulation for Athletic Trainers (i.e., licensure, certification, registration or exemption). State law indicates the scope of practice and requirements for the practice of athletic training. Scope of practice can vary from state to state. State

regulation always takes precedence over certification standards. Most states accept BOC certification as the standard for regulation.

Once an individual is awarded certification by the BOC, he/she must contact the [state regulatory agency](#) in the state in which their practice will occur. Failure to receive authorization from a state to practice as a regulated healthcare professional is a violation of the [BOC Standards of Professional Practice](#). Violation of BOC standards may result in disciplinary action taken on the individual's BOC certification.

III. Certification Verification

In applying to a state for the right to practice as an Athletic Trainer, certification verification may be required. Requests for certification verification can be made through the [BOC website](#). Verification is sent via USPS mail or electronically directly to the state or employer requested, and there is a small fee for this service.

IV. Recertification Requirements

Athletic Trainers must demonstrate continuing competence. The BOC requires that each Athletic Trainer re-qualify for certification. At the conclusion of a defined reporting period, Athletic Trainers must meet recertification requirements, which include:

A. Adherence to the *BOC Standards of Professional Practice*

ATC[®] credential holders (ATs) are expected to comply at all times to the [BOC Standards of Professional Practice](#).

B. Payment of the BOC Annual Recertification Fee

Every AT is required to pay an annual recertification fee to the BOC. The annual recertification fee is an administrative fee that supports the activities required of the BOC. Fee payments are collected by one of the following methods:

- 1) Newly certified ATs will have the recertification fee waived for the year in which they are granted certification (i.e., if you are certified in 2012, you will not owe the 2012 recertification fee).
- 2) NATA members: check the "BOC Recertification Fee" box when renewing your NATA membership to pay the discounted BOC recertification fee of \$34. The NATA will collect the payment and forward it to the BOC on your behalf
- 3) Non-members of the NATA: complete the year-specific form "AT204 - Recertification Fee" in BOC Central™.

C. Continuous Certification in Emergency Cardiac Care (ECC)

ATs must be able to demonstrate ongoing certification in the competencies outlined in the BOC ECC guidelines throughout the reporting period. CEUs are not awarded for maintaining ECC. NOTE: ECC certification must be current

each year. Depending on the ECC provider, ECC recertification may not be required each year. Acceptable ECC providers are those adhering to the most current *International Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiac Care*. Examples of courses that provide the above requirements include but are not limited to:

- 1) CPR /AED for the Professional Rescuer by the American Red Cross
- 2) BLS Healthcare Provider CPR by the American Heart Association

ECC must include all of the following:

- 1) Adult and pediatric CPR
- 2) Airway obstruction
- 3) 2nd rescuer CPR
- 4) AED
- 5) Barrier devices (e.g., pocket mask, bag valve mask)

The BOC reserves the right to request ECC documentation at anytime, this includes but is not limited to the BOC audit. The only acceptable documentation is the original certification card(s) or certificate(s) of completion OR a copy (front and back) of the certification card(s) or certificate(s) of completion obtained upon successful completion of the ECC course. The card(s) or certificate(s) of completion must be signed by the instructor and the recipient. Letters from instructors and instructor cards are not acceptable. Online ECC courses are acceptable IF skills are demonstrated and tested by a qualified instructor.

D. Completion and Reporting of Continuing Education Units (CEUs)

ATs must complete a predetermined number of CEUs within a given time period. Continuing education (CE) requirements are intended to promote continued competence, development of current knowledge and skills and enhancement of professional skills and judgment beyond the levels required for entry-level practice. CE activities must focus on increasing knowledge, skills and abilities related to the practice of athletic training. ATs may begin accumulating CEUs once they are certified.

V. **Personal Profile**

A. Current Address

ATs are required to maintain a current address with the BOC. Failure to keep profile information up-to-date can result in certification status being changed from active/good standing to EXPIRED.

Change of address can be completed in one of the following ways:

- 1) Online through BOC Central™
- 2) By mailing in a change of address to the BOC office at:

Board of Certification
Attn: Certification Records
1415 Harney St Ste 200
Omaha NE 68102-2250

B. Email Address

ATs must keep their demographic information on BOC Central™ current. The BOC uses email to communicate important information and reminders so it is vital that a current email address be on file.

C. Name Change

ATs that have a change of name (e.g., due to marriage) are required to notify the BOC. The printed [Name Change Request Form](#) must be completed and mailed to the BOC with an original or notarized copy of the legal document indicating change of legal name. The original document must contain the official raised seal of the department issuing the document or a stamp that clearly is an original and not a photocopy (i.e., Department of Vital Statistics). The signature and title of the department representative must be present. The information should be mailed to:

Board of Certification
Attn: Certification Records
1415 Harney St Ste 200
Omaha NE 68102-2250

Appendix B Privacy Policy

- **Information Collected**

The information the BOC accumulates and retains regarding ATs and candidates include:

1. Name
2. Address
3. Telephone and/or email contact
4. Date of birth
5. Route to eligibility
6. Last four digits of the social security number
7. Degree and universities attended
8. Other credentials or licensure
9. BOC certification exam scores
10. Information related to completion of continuing education units (CEUs)
11. Information regarding disciplinary or legal action relevant to the BOC certification requirements
12. Decisions of the BOC Professional Practice and Discipline Committee
13. Correspondence and materials related to the above

- **Information Collected Usage**

The BOC collects, retains and uses this information about you only to assist us in:

1. Determining eligibility for certification and certification status
2. Determining completion of continuing education
3. Administering disciplinary proceedings
4. Interacting with state licensing or regulatory agencies, educational institutions, Athletic Trainer employers and CEU providers
5. Helping us to design, or improve, our certification process so we can provide you with quality programs and services

6. Assisting us in the research and development of programs and standards of practice to assist you and to help the BOC protect the public and the ATC® credential

- **Maintenance of Accurate Information**

The BOC works hard to ensure that private information is accurate and complete. We also pledge to respond quickly to requests for correcting inaccurate information. Please let us know immediately if you believe our records are inaccurate or if anything changes, such as your name, address, email, etc.

- **Limitations on Access to Information**

Employee access to personally identifiable member information is limited to those with a reason to know such information for BOC administrative purposes or to assist you in some way such as with renewals or answering your questions. Employees are educated on the importance of maintaining the confidentiality of our members. The BOC creates a mailing list of BOC Certified Athletic Trainers available to providers of continuing education, the NATA and others. You may request that your name be excluded from this list at any time.

- **Protection of Information via Established Security Measures**

The BOC is committed to the security of your information. All of our operational and data processing systems are in a secure environment that protects your information from being accessed by any unauthorized person. We safeguard information according to established security standards and procedures.

- **Restrictions on the Disclosure of Information**

It is the BOC's policy not to reveal information about specific ATs or candidates, except in the performance of bona fide organizational due diligence or where:

1. The information is provided to verify an individual's certification status to a member of the public or an employer
2. You submit a written request for the information to be disclosed
3. The disclosure is required by law (e.g., subpoena, request by regulator, etc.)

Your name, location and certification status will be available online through the BOC certification verification system to potential employers, state licensing officials and others.

Appendix C

Exam Preparation Guide

- **Read the *BOC Exam Candidate Handbook***

The handbook contains a variety of information concerning the exam. Candidates should become familiar with the contents.
- **Submit the Application for Eligibility**

Candidates must submit their application for eligibility through BOC Central™.
- **Check Your ID**

Make sure that the first and last name* on the exam application matches the legal first and last name on the valid, government issued photo ID (i.e., driver's license, passport, state issued ID) you will use on exam day. School ID will not be accepted. A candidate will not be permitted in to the exam if their valid, government issued photo ID does not match **EXACTLY** with the first and last name as it appears on the exam roster.

*Candidates with more than one last name listed on their government issued photo ID must have the same last names reflected on the exam admission ticket. This includes any suffix such as Jr, Sr, I, II, III, etc.
- **Plan Before You Register**

In selecting a date to take the exam, candidates are encouraged to make certain that other activities (e.g., graduations, weddings, anniversaries, vacations, pregnancies) will not interfere with the BOC exam. Once registration is confirmed, candidates are assessed fees for making changes in the date or site of their exam.
- **Do Not Wait**

Candidates who must retake the exam are reminded to review the policy regarding the eligibility period for retaking the exam (see "Retaking the Exam/Time Frame"). Situations can occur which necessitate a need to reschedule an exam. By taking the exam at the end of the eligibility period, a candidate limits their options. If an exam cannot be rescheduled within the eligibility period, the candidate will have to reapply and/or forfeit fees.
- **Check Your ID Again**

Remember, the legal first and last name* on the valid, government photo ID (i.e., driver's license, passport, state issued ID) used on exam day must match **EXACTLY** with the first and last name on the admission roster and the admission ticket. School ID will not be accepted. The first and last name on the roster is identical to the one submitted on the candidate application.

*Candidates with more than one last name listed on their government issued photo ID must have the same last names reflected on the exam admission ticket. This includes any suffix such as Jr, Sr, I, II, III, etc.

- **Email Confirmation for Exam**

Candidates will receive a confirmation email from Castle with the following information:

1. Candidate name
2. Exam name
3. Required ID (valid, government issued photo ID, i.e., driver's license, passport, state issued ID)
4. Exam date
5. Reporting time
6. Name of the Castle test site
7. Address of the Castle test site (reporting location)
8. Email link for a map to the Castle test site
9. Candidate password
10. General instructions
11. Prohibited items

Candidates must bring their confirmation email on exam day.

- **Verify Directions**

Candidates are encouraged to verify the directions to the exam site.

- **Additional Questions?**

If you have other questions, please contact the BOC via email at Exam@bocatc.org or by phone at (877) 262-3926.

Appendix E
Content Outline – BOC Entry-Level Exam
Role Delineation Study/Practice Analysis, Sixth Edition

I. Injury/Illness Prevention and Wellness Protection	
A.	Minimize risk of injury and illness of individuals and groups impacted by or involved in a specific activity through awareness, education and intervention.
B.	Interpret individual and group pre-participation and other relevant screening information (e.g., verbal, observed, written) in accordance with accepted and applicable guidelines to minimize the risk of injury and illness.
C.	Identify and educate individual(s) and groups through appropriate communication methods (e.g., verbal, written) about the appropriate use of personal protective equipment (e.g., clothing, shoes, protective gear, braces) by following accepted procedures and guidelines.
D.	Maintain physical activity, clinical treatment and rehabilitation areas by complying with regulatory standards to minimize the risk of injury and illness.
E.	Monitor environmental conditions (e.g., weather, surfaces, client work-setting) using appropriate methods and guidelines to facilitate individual and group safety.
F.	Maintain or improve physical conditioning for the individual or group by designing and implementing programs (e.g., strength, flexibility, CV fitness) to minimize the risk of injury and illness.
G.	Promote healthy lifestyle behaviors using appropriate education and communication strategies to enhance wellness and minimize the risk of injury and illness.
II. Clinical Evaluation and Diagnosis	
A.	Obtain an individual's history through observation, interview and/or review of relevant records to assess injury, illness or health-related condition.
B.	Utilize appropriate visual and palpation techniques to determine the type and extent of the injury, illness or health-related condition.
C.	Utilize appropriate tests (e.g., ROM, special tests, neurological tests) to determine the type and extent of the injury, illness or health-related condition.

D.	Formulate a clinical diagnosis by interpreting the signs, symptoms and predisposing factors of the injury, illness or health-related condition to determine the appropriate course of action.
E.	Educate the appropriate individual(s) about the clinical evaluation by communicating information about the injury, illness or health-related condition to encourage compliance with recommended care.
III. Immediate and Emergency Care	
A.	Coordinate care of individual(s) through appropriate communication (e.g., verbal, written, demonstrative) of assessment findings to pertinent individual(s).
B.	Apply appropriate immediate and emergency care procedures to prevent the exacerbation of health-related conditions to reduce the risk factors for morbidity and mortality.
C.	Implement appropriate referral strategies, while stabilizing and/or preventing exacerbation of the condition(s), to facilitate the timely transfer of care for the health-related conditions beyond the scope of practice of the Athletic Trainer.
D.	Demonstrate how to implement and direct immediate care strategies (e.g., first aid, Emergency Action Plan) using established communication and administrative practices to provide effective care.
IV. Treatment and Rehabilitation	
A.	Administer therapeutic and conditioning exercise(s) using appropriate techniques and procedures to aid recovery and restoration of function.
B.	Administer therapeutic modalities (e.g., electromagnetic, manual, mechanics) using appropriate techniques and procedures based on the individual's phase of recovery to restore functioning.
C.	Apply braces, splints or other assistive devices according to appropriate practices in order to facilitate injury protection to achieve optimal functioning for the individual.
D.	Administer treatment for injury, illness and/or health-related conditions using appropriate methods to facilitate injury protection, recovery and/or optimal functioning for individual(s).

E.	Reassess the status of injuries, illnesses and/or health-related conditions using appropriate techniques and documentation strategies to determine appropriate treatment, rehabilitation and/or reconditioning and to evaluate readiness to return to a desired level of activity.
F.	Provide guidance and/or referral to specialist for individual(s) and groups through appropriate communication strategies (e.g., oral and education materials) to restore an individual(s) optimal functioning.
V. Organizational and Professional Health and Well-Being	
A.	Apply basic internal business functions (e.g., business planning, financial operations, staffing) to support individual and organizational growth and development.
B.	Apply basic external business functions (e.g., marketing and public relations) to support organizational sustainability, growth and development.
C.	Maintain records and documentation that comply with organizational, association and regulatory standards to provide quality of care and to enable internal surveillance for program validation and evidence-based interventions.
D.	Demonstrate appropriate planning for coordination of resources (e.g., personnel, equipment, liability, scope of service) in event medical management and emergency action plans.
E.	Demonstrate an understanding of statutory and regulatory provisions and professional standards of the practice of athletic training in order to provide for the safety and welfare of individual(s) and groups.
F.	Develop a support/referral process for interventions to address unhealthy lifestyle behaviors.
