TRAINING DETAILS

The Board of Certification, Inc. will host a pre-conference training session for regulatory board members the evening prior to the start of the CARE Conference (previously AT Regulatory Conference). The Comprehensive Regulatory Training for Board Members (CRT) is presented by the Federation of Associations of Regulatory Boards (FARB) and Atkinson & Atkinson, LLC. Dale Atkinson will be presenting.

This interactive training is designed to provide comprehensive training for board members, staff, investigators, attorneys, and other stakeholders in the professional regulatory licensing system.

OBJECTIVES

The Pre-Conference Workshop will provide board members with comprehensive view of the law, governance and board operations in order to:

- Increase board member knowledge
- Enhance agency efficiency
- Promote effectiveness in regulation
- Identify issues and potential resolutions
- Strengthen best practices in board operations
