Increased Scrutiny of Government Regulation

- Look closely....what do we see?

CARE CONFERENCE 2019

11

What do we see?

- Government regulation & self-regulation

CARE CONFERENCE 2019

12

Unequivocally.....

The professions are **NOT** self-regulated

CARE CONFERENCE 2019

13

Consequences....

- Self-regulation removes the need for government

Increased Scrutiny of Government Regulation

- Deregulation in some professions, increased regulation in others
- Consolidation of boards
 - Composite
 - Departmentalized
- Antitrust scrutiny

• Which all leads to.....the continued need for separation of regulation from trade!

CARE CONFERENCE 2019

18

Trust

- It's a matter of trust.....

.....Can government trust "you" to be regulators?

Answer

So long as you walk the walk and talk the talk

CARE CONFERENCE 2019

20

What is a Board: Basic

- Creature of statute
- Delegated with authority
- Regulate the practice act
- Through licensure and enforcement processes
- In the interest of public protection/health, safety, welfare....
- Only undertake what the enabling statute allows....

CARE CONFERENCE 2019

21

What is a Regulator

- Governor appointed
- Public steward
- Fiduciary
- Expert

CARE CONFERENCE 2019

22

What are you? What are you not?

- **You are a regulatory!**
- **You are not an athletic trainer!**

CARE CONFERENCE 2019

23

The Most Important Factors

- Separation of regulation from trade.
- Re-establish the trust factor
- Understand the role of a board
- Understand your roles as board members
- Understand why government is involved
- Be trained
- Be prepared
